PATH

Alliance High, in its eighth year on Glamorgan Street is now storing its history of the seventies and preparing to blaze its pathways into the eighties. Gone from the seventies are such memorable events as streaking, Big Mac attacks, peace in the Mid-East, and the dissolving of the All-American Football Conference. Follow us now as we take you through the 1979-1980 school year. We'll show you all the highs—the faces, the triumphs, the losses, and the fun. Alliance High School will be your pathway to success. So follow us, we'll lead the

SPECIAL THANKS to Sally Ailes, Doina Blendea, Scott Hirvela, Lance Jones, and Mary Soltys for their many literary contributions to this book

EXTRA SPECIAL THANKS to the following people for extremely well-done spur-of-the-moment's-notice jobs. Mr. Schreiber for his Olympic boycott essay, Kathy Bishop for her ballet and choir articles, and Jeff Harrison for his spur-of-the-moment novel on Iran

ADDITIONAL THANKS to Ben Favazzo, Jill Fortner and Andy Howel

Advisors Note: I would like to exercise a little poetic justice on the behalf of my staff. The 1979-80 Chronicle Staff was by far the most enjoyable group of people I have ever worked with.

Whenever things got a bit slow, there was always the amiable Luginbuhl around endeavoring to extrapolate humor out of anyone nearby. In the event Luginbuhl failed to provide enlightenment, Lisa Perry took over. We will especially remember the day she ran over her own hubcap. In any case, I wish to all the best of luck and success.

Front row Secretary, Gina Gainor, President Dana Mehnert Back row Treasurer, Jeff Fortner, Vice President, Jeff Russell Below Left, Mr. Conrad Brunner, Advisor Below Right, Jeff Russell is a Homecoming escort

The 1979-80 seniors will not go unnoticed. Among their achievements were various "Spirit Day" projects, supporting such ideas as senior dress-up day and "Senior Power". Also on their list was a class picnic at Silver Park on May 10 and the yearly blood drive on May 12. Representatives for the first graduating class of the 80's were Dana Mehnert, President; Jeff Russell, Vice-President; Jeff Fortner, Treasurer; and Gina Gainor, Secretary

The Class of 1983 started their freshman year with a candle sale. They made two thousand four hundred dollars on this project to start their treasury. The sale of Kit Kat, Reese's Cups, and Hershey's candy bars helped them add to it in the spring. Following tradition, the class voted for their colors, black and burgandy were chosen. The black panther is their mascot, while their flower is the burgandy rose. Their motto "To success we have the key, for we're the class of eighty three." **We've Only Just Begun** is the class song.

Socks and T shirts bearing the Aviator logo were the first fund raisers for the Sophomore class. They broke even on these products which were supplied by the E. R. Moore Company. Next, they sold popcorn and popcorn supplies from the Family Treat Company which added three hundred dollars to the class treasury. Following the popcorn sales came the sale of Christmas wrapping paper. A profit of seven hundred dollars was made toward the prom goal. A sale of Dunbury candy bars brought the class three hundred dollars in earnings. Looking ahead to the prom expenses of next year, the class of eighty-two had plans, at the time of this publication, to sell Easter Candy from the Family Treat Company in March.

# TEACHER of the YEAR

On May 16, Mr. Robert Arbogast became the first vocational instructor to be named Teacher of the Year.

Other nominees included Mrs. Armitage, Mr. Austin, Mr. Carl and Mr. Seavy. These candidates were chosen by the FTA, while the entire student body made the final choice. The result of the election was kept confidential until the assembly was held.

A short biography of the chosen teacher was read by Laura Johnson, FTA president, giving clues to who the winner may be, but not naming him. The story included the following: he was born in Uhrichsville, Ohio; he graduated from Collinwood High School and K S U.; he has taught Machine Trades at A H.S. for nineteen years; he was a non-commissioned airplane captain, in charge of a dive bomber, in the U.S. Marine Corps; he is married with one son and one daughter. At this point it was evident that the 1980 Teacher of the Year was Mr. Arbogast.

## COUNSELOR RETIRES

Mrs. Ann Welser, a counselor at A H.S. for the past eight years, is the sole member of the high school faculty to retire. Her guidance with both educational and personal matters will long be appreciated. The following is a short biography.

After seventeen years of marriage and four children, Mrs. Welser started as a freshman at K S U. in 1949. Her first post-graduate job was director of food services for the Akron Polsky restaurants. She spent the next six years owning and operating her own restaurant. She started her career in public education at Patrick Henry Jr. High in Cleveland, then went to K S U. as a dorm director while completing her Master's degree. She then spent the next three years living in Mexico City and Guadalajara. Afterwards Mrs. Welser went back to K S U. as a dorm director to start work on a Ph.D., but found that she didn't like the "new" K S U. and was lucky enough to find a "home" at Alliance High School where she helped open the beautiful new high school. In addition Mrs. Welser thanks God that she has had these past eight years to close the book on her "official" career.

## HOMECOMING 1979

Homecoming week festivities were enjoyed by many this year. Attendance at the dance was greater than previous years and AHS Homecoming was a definite success.

Tuesday Nominations, made by fall sports teams and cheerleaders, for queen, court, and escorts started out Homecoming week. Up for freshman attendant were, Kristen Anderson, Missy Sticker, Vicki Vogel, and Kris Wilson. Sophomore candidates were, Patti Cabassa, Jill Eynon, Lisa Polinori, and Missy Popovich. Junior possibilities were,

Jill Barker, Kim Moretini, Charlene Pasco, Kim Rogers, and Amy Stone. Nominated for queen and senior attendant were, Gina Gannor, Gail Jellison, Lynn Pinkerton, and Kathy Schreckengost. Wednesday Voting took place during homeroom period and attendants and the two queen candidates were announced at the end of the day. Freshman attendant Kristen Anderson, Sophomore attendant Lisa Polinori, Junior attendant Kim Rogers, and the two candidates for queen Lynn Pinkerton and Gail Jellison."

Thursday The candidates and attendants were introduced to the crowd during a bonfire at the Youth Center. Coach Tonges, Stuart Toile, and Jeff Russell commented on the upcoming Friday night game against Youngstown South, and the cheer leaders helped to generate enthusiasm.

Friday At the Homecoming pep rally the class attendants and queen candidates were introduced to the student body and faculty along with their escorts. Escorts chosen were Clay Brown, Steve Hutmacher, Chris Parlontieri, Richard Summers, and Stuart Toile. Queen Gail Jellison was crowned by 1978 queen Lisa Baier at a pregame ceremony. Despite the strong efforts of the Aviators Alliance suffered a crushing defeat of 20-6.

Saturday Warm weather and clear, starry skies set the mood for the annual Homecoming dance sponsored by Student Senate. Music for the disco theme "I Love the Nightlife" was presented by WZZP's discotrak. The queen and her court enjoyed a solo dance with their escorts. A good time was shared by all.

THE SKIN OF  
OUR TEETH

As an "experiment" directed under Mr. Steve Kantor, the fall production of the Thornton Wilder hit, "The Skin of Our Teeth", was a success

The two performed on November 16th and 17th were unique from any other AHS production. Based on a plot of survival, the characters enacted the performance with mime faces, which added considerably to the haphazard fashion of the play.

The team effort along with the combined efforts of the backstage committees produced successful results and is one more success to be put down in Alliance High School's history

#### You're a Good Man Charlie Brown

What goes into a musical? The answer, many long hours of hard dedicated work, cooperation, and the spirit to do the best job one possibly can. The result is two nights of enjoyment for the audience, and the satisfaction of a job well done.

The musical "You're a Good Man Charlie Brown", revolved around a typical day in the life of Charles Schulz's famed Charlie Brown and the rest of the "Peanuts Gang". Everything seems to go wrong throughout Charlie Brown's day, which ranges from Valentine's Day to the ever-hopeful baseball game, then to supper time. No matter what goes wrong, it is all summed up in the song "Happiness" with the thought that through life's many trials, happiness can be found in the smallest of things.

Under the direction of Mr. Steve Kantor, who was aided by the committees, the orchestra, under Mr. Richard Zurakowski, and the production staff, the stage was set, and the long hours of work materialized into a successful performance.

Mr. Kantor added chorus to the original nine cast members. The cast members were portrayed as very small children. To make this believable the set consisted of very large blocks which served to dwarf the student actors. The cooperation and devotion of everyone involved are truly what goes into the success of a musical like "You're a Good Man Charlie Brown".

## BLOOD DAY

The Senior Class had their work cut out for them Monday, May 12, when the annual class-sponsored Red Cross Bloodmobile project got under way. In Martinsville the tradition set over the six past years of each class surpassing the amount collected by the preceding class, the 1980 class passed the 219 mark. The class set a new record of 253 pints.

Seniors solicited donations from classmates who were 17 years and older. In addition donations were received from West Branch students, community citizens, and faculty members.

General Chairmen for the project were Dana Mehnert and Gwen Sarver. Co-chairs on committee chairpersons included 49 seniors. Chairperson of the Registration Committee: Becky Davis. Chairperson of the Business Committee: Lucy Essinger. Chairman of the Escort Committee: Jeff Russe. and Chairperson of the Canteen Committee: Marianne Wiese.

"Hey Alliance show us your underalls"

Sponsored by Student Senate, the 1980 Sweetheart Dance carried the theme "Royal Flush" and was held on Saturday, February 16 in the high school cafeteria. Music for the relatively small crowd which attended, was furnished by WZZP's Discotrak. Also featured as a part of the festivities were six seniors; a king, a queen, two attendants, and their escorts. Voting by the entire student body took place in the homeroom a few days previous to the dance, during which Jeff Russell was chosen to be King and Lynne Pinkerton was crowned queen. Gail Jellison and Gina Gainor were the two attendants, escorted by Dana Mehnert and Jim Borton

# JUNIOR-SENIOR PROM

Juniors and seniors enjoyed a journey through the stars as they attended the prom May 3, 1980. Brooks' Banquet Center served as the setting for the celestial ball. The theme "Wish Upon A Star" was carried out with decorations made by members of the junior class. Silver stars and shining streamers hung from the ceiling giving the dance a heavenly atmosphere.

Refreshments were served buffet style throughout the evening as couples danced to the music of the Avenue Band. Being the first year it was not held in the high school gym, prom night proved to be an enjoyable evening as well as a success.

# UP ON THE ROOF

Look! Up in the sky! It's a bird! It's a plane! No, it's a new roof, thanks to actions taken by R. G. Hamrick against the Celotex Company of Tampa, Florida and to the G&M Roofing Company of Louisville, Ohio. After numerous leaks were discovered in the roof, Dr. Hamrick filed a suit for a total cost of \$500,000. When the companies learned of this, they sent inspectors to look at the roof. The inspectors saw the deteriorated and cracked roof and offered to replace it with out any action in court. It was later discovered that the damage was the result of faulty materials supplied by the Celotex Co. The original plan was to replace the roof in two parts. The first section was being worked on during the fall of 1979 and was completed in November '79. At the time of publication, the second section had not yet been started.

# LUNCH LINES

Many students were suspended for "skipping" this year, although it was not for skipping classes. School officials cracked down on students who skipped ahead of other students while waiting in lunch lines. Because of students' complaints, Mr. Wamsley made an announcement that any student caught skipping the lines at lunch would be given a three day suspension. Even with the warning, students were caught and suspended.

Soon after the students realized that the school meant business, lunch lines became longer and 'skipping' was left for classes.

# NO SNOW DAYS

For the first time in the history of the new high school, students at AHS did not get a chance to use any of their allotted snow days.

Many a night did students sit by the radio and hope that Alliance would be added to the list of other local school closings, but no such luck would occur. Alliance was fortunate enough to have the rougher side of winter pass it by this year.

Here's hoping that next year, students will get a chance to sleep in and not worry about the test they didn't study for!

# SMOKING AREA

Once again, the annual closing of the smoking area and the posting of the students responsible occurred at AHS in 1980.

Despite the groans, the school officials shut down the smoking area after students defied the rules that accompany the switching of entrance doors from the west side of the building to the south side.

It appeared that the area would not be opened again, except for an idea of two AHS students who suggested to Mr. Wamsley, that if he re-opened the smoking area, students would offer to clean it every Tuesday and Thursday.

The idea was approved, and before the coming of Spring, the smoking area was opened again.

# AMERICANISM TEST

From March 14 to March 22, Clark Dohrmann of the Class of 81 represented Alliance High School as a winner of the American Legion Americanism Test. Eighteen people from Ohio travelled to tour Gettysburg, Pennsylvania for one and a half days, Williamsburg, Va. for two and a half days, and Washington D.C. for four days.

Among the activities Clark participated in were complete tours of all the cities he visited and he also had the honor of lunching with Congressman Regula.

92 WDJQ

WFAH, Alliance's biggest radio station, in an effort to gain a larger audience, made format changes which included their name

A change was made from the easy listening classical music, to rock and roll. Another change was the playing of non-stop music for a full hour. Easy listening moved to AM, where the name remained WFAH. Station Manager Dick Elliot, felt this would benefit the station overall as a new transmission tower was added to improve quality and broadcast distance of the station.

## ALL MY BEST

Although Journey, J. Geils, and Van Halen were big attractions at the Richfield Coliseum, they were "Peanuts" compared to the awesome popularity of Slim Whitman.

Slim, a big star in England, was voted most popular male artist for four years in a row there. To add to this, he has sold, in England, more records than Elvis and the Beatles!

This year, Slim went on national television to advertise "All My Best", an album featuring his biggest sellers of England. The album soared to number one on the charts and will, no doubt, dominate the position for the next twenty years!

Slim even made it to the Coliseum. For two hours he held the sell-out audience captive with his one and

only OH OOOOHHHH's. Among the songs enjoyed by this horrendous crowd were hits such as "Rose Marie", "Vaya con Dios", "Red River Valley", and the all popular "Una Paloma Blanca".

Yes, Slim will be remembered fondly for ages by all who have had the fortune of experiencing this 'master-of-melody'.

## CANADIAN CHOIR

This year, there was a special event concerning the AHS choirs and chorus. A group of Canadians from Eastview Secondary School in Barry, Ontario performed at AHS.

Their concert choir consisted of approximately seventy-five students of grades eleven to thirteen.

They arrived at AHS on Friday, April 18, around noon. After a tour of the high school, they had lunch in the cafeteria, rehearsed with the Acappella Choir, and performed that evening at 7:30 p.m. in the AHS auditorium.

The program was opened with our Madrigal Ensemble, who were later joined by other members of the Acappella Choir. The Eastview Concert Choir opened its performance, joined by the AHS Acappella Choir singing "With My Whole Heart". The Canadians proceeded with their Eastview Girls' Choir, Boys' Choir, and a Barbershop Quartet.

Mr. David Wittick, Eastview's director, presented Mr. Lanny Hisey and Mr. Wamsley with commemorative plates as a gift of friendship between the two schools and countries. Following their performance, the Canadians were assigned hosts for the night, who housed them until Saturday morning, when they began their long journey back to Canada.

## COTTON CRAZE

The T-shirt craze. Everybody, everywhere seems to be wearing T-shirts. Big shirts, small shirts, college shirts, Ziggy shirts, as a matter of fact there were T-shirts that said almost anything you wanted to say or showed anything you wanted to show.

T-shirts are not new, but they are becoming increasingly popular for the promotional benefits of many rock groups. In addition another hot seller included pictures of stars on T-shirts.

T-shirts are such big business that some stores are built strictly for selling iron-ons for T-shirts. Time will tell just how long the fad will last.

## BELKIN PRESENTS . . .

Remember cruising the strip and hanging around at the local spot? Well, last year the local spot was not so local. Many students began to "hang out" in Cleveland, the Cleveland Coliseum, that is.

The Coliseum was the sight of many Rock and Roll concerts. Some of the attractions were Van Halen, Journey, J. Geils, and of course Slim Whitman. Although there are such big turnouts for these events, many kids can't afford the price of tickets, especially with the price going higher than eight dollars.

Even with the price, many students still sit by the radio to hear, "Belkin Productions Presents . . ." hopefully naming their favorite group.

## ASSEMBLIES

### MIMES, ARCHERY, REFORM

The students at AHS were subjected to a number of special events this year. Among them were assemblies on archery, mime, and alcoholism.

The archery expert who came to the AHS gym was Bob Markworth. He showed students many different kinds of bows while he told the history of them. Markworth also went around the gym showing the audience how a compound bow works. Also in the show was Mayana, Markworth's assistant. Mayana bravely held a balloon in her teeth as a blindfolded Markworth shot an arrow through the balloon.

The pantomime team of Micah and Laura Bertin thrilled and delighted students and faculty alike. Among the skits they performed were; the first date, a brick wall that was a barrier between them, and a child on her first visit to the dentist.

On a more serious side, they did a skit about a little girl all alone in a toy shop. To end their show, Micah and Laura performed an unrehearsed skit from a suggestion in the audience.

Loren Bishop was the speaker who talked on the evils of drugs and alcohol. His speaking was of personal experiences because he, himself, was a reformed alcoholic. Bishop is now a speaker who loves a chance to talk to students, saying that, "If I help only one of you here, then it was worth it." Bishop spent the rest of the day at AHS going to various classrooms and speaking to the students personally.

Alliance High School has many attractions, and a few of its best are its talented vocal groups. Not only do they perform at the high school, but they have entertained various local organizations and taken part in many competitions as well. Under the direction of Mr. Lanny Hisey, these groups include,:

**ACAPPELLA CHOIR:** Officers are elected each year for this choir. The 1979-80 roster consisted of Cindy Lattimer, President; assisting her was Vice President Susie King. Pam Roderfer performed dual duties as Secretary-Treasurer, she was aided by Bill Underwood, Assistant Secretary-Treasurer. The Acappella Choir performed in the high school's Christmas and Spring concerts, and gave a sampling of those concerts at special in-school assemblies. Singing with the choir this year were four very special students - exchange students; Sylvia Arguez and Mauricio Garcia from Bogota, Colombia, and Felicity Harty from South Africa. Aurora Stranges who came from Italy and now resides in Alliance also sang with the group.

Various ensembles are chosen from the Acappella Choir, such as Boys' Ensemble, Girls' Ensemble, and the Madrigals Ensemble

**MADRIGALS:** Members of this ensemble are chosen by audition from the Acappella Choir. The Madrigals

had a full schedule this year, singing at banquets, club meetings, and participating in contests such as the Solon competition. They also performed for the Kiwanis and Lions Clubs, the Golden Agers, and at various Christmas programs. During National Music Week, the Madrigals performed at the Square in downtown Alliance. A special highlight of this year was the visit from a Barry, Ontario high school choir, sponsored by our choirs. To end the season, the Acappella Choir had a special dinner at Country Manor Restaurant where they presented Mr. Hisey with a gold pocket watch in appreciation for his time and efforts

**FRESHMAN/SOPHOMORE CHORUS:** These young singers performed twice this year at both the Christmas and Spring concerts at the high school

On April 15th, at NOSPA's annual convention, the RAB was awarded first place. For the RAB's outstanding efforts they received a certificate of recognition, statewide recognition and a newspaper style book. This was the RAB's first entry into competition in several years.

## RAB; A WINNER

In March, the Red and Blue entered a Journalistic competition sponsored by the Northeastern Ohio Student Press Association (NOSPA) at Kent State University, in the news magazine category.

# INTERNATIONAL PATHWAYS

## TEHRAN TRAGEDY

The 70's were host to some of the most troubled times in history in regards to the Mid East. An industrialized world thirst for oil willingly met the greedy monetary demands of a handful of Arab countries who were rich in petroleum and eager to exploit it. One of the most noteworthy of these countries was Iran.

This relatively large country of the Arab world had some of the worlds most lifeless deserts, worst sandstorms, and a comparatively small population. However, it is perched atop literal oceans of oil with ready access to the Persian Gulf and supertankers carrying crude throughout the world.

The government consisted of a royal monarchy for centuries, ousted in the 40's by rebels, and then reinstalled with aid from the U.S., with Shah Muhamed Rhesa Pahlavi as its head. He was a very Pro-U.S. monarch and served as a moderating force among some of the more radical mideastern countries.

With the dawning of the energy crisis in 1973 and the rapid influence of western oil dollars pouring into Arabia, the Iranian lifestyle changed radically, or at least the Shah's did. He had ambitions of Iran becoming a world power and began turning dollars into military might by purchasing vast quantities of arms from the U.S. and Europe. High technology equipment was being imported in still greater quantities each year and a staggering numbers of foreign laborers and

technicians were hired to educate Iranians and build installations for both military use and civilian housing. All this investment, however didn't necessarily please the people. The ways of Islam have never really been clearly understood by Christians, and our understanding isn't getting much better. A strong movement toward developing an Islamic Theocracy was taking place. Citizens violently opposed to the Shah were being arrested in greater numbers every day by the Iranian secret police "Savak." The majority of the population needed a strong leader to carry their "revolution" to victory, and the Ayatollah Khomeini, living in exile in France, was the one to whom they rallied.

Violence in the streets of Iran became commonplace. The military had increasing difficulty controlling the mobs. Iranian students on Visas overseas rioted. Finally, the Shah, abdicated his throne and left for the U.S. to seek asylum and treatment for his cancer. In a glorious fanfare the Ayatolla stepped off the plane in Tehran and a new era of Moslem rule began in Iran.

Immediately, relations between the U.S. and Iran went from bad to worse. Oil production and export fell dramatically in an effort to make the world feel Iran's power. Repeated and louder demands for returning the Shah for trial were heard and the U.S. became Iran's biggest scapegoat in history, receiving the dubious title of "The Great Satan." Meanwhile, the Shah was traveling from country to country seeking asylum and fleeing from Moslem Assassins. The Iranians decided to resort to force, or more accurately, blackmail. On the morning of Sunday, November 4th, a massive crowd gathered about the walls of the U.S. embassy in Tehran. The chain-link gates yielded to bolt cutters and a massive crowd of "students", supposedly acting on their own, rushed in to seize the embassy. The marines held them off with tear gas and bolted doors as long as possible while secret documents were destroyed, but finally succumbed without firing a shot. The militants bound and gagged

the embassy personel and marines while vowing they wouldn't set their hostages free until the Shah was returned. The situation became a test of wills between President Carter and the Ayatollah, with neither side giving in. The west began to impose severe economic sanctions on Iran, severely curtailing their economy, but the officials and "students" holding the hostages would not yield.

After the seizure of the hostages, the the World court in La Hague ordered the immediate release of the hostages and condemned Iran for violating international law. The only response from the Iranian government was a telegram saying that the World court had no jurisdiction.

During the night of April 25th, six American C-130's and eight RH 53 helicopters from the carrier Nimitz headed for Iran in an attempt to rescue the hostages. Immediately before staging the rescue attempt, only five helicopters were still operational, six being considered the safe minimum. A decision was made to abort the mission.

In the darkness a helicopter collided with a freshly refueled C-130 and an extreme conflagration engulfed the two aircrafts. Ammunition was exploding and by the time the flames subsided, eight servicemen were dead. The commandos escaped in the remaining C-130's and the White House announced the failure of the operation.

What followed was a barrage of criticism and denouncement from nearly every country in the world, particularly the Arabs and Russians. The bodies of the dead American servicemen were put on display in the streets of Tehran and the hostages were dispersed to various parts of the country, this was to discourage another rescue attempt. Other matters of world importance began to take priority over the endless hostage crisis and on May 29th, the Iranian captors, backed by the Khomeini government reiterated their demands for the return of the Shah, vowing to not release the hostages until then. As of Sept. 10, 1980 the hostages had still not been released.

# OLYMPICS 1980 WINTER

The 1980 Winter Olympics proved to be both spectacular and disastrous for the United States team.

For the first time in history, a United States competitor won five gold medals, the most ever for an individual effort. The man was Eric Heiden; his sport was speed skating. To add to this fabulous streak came the surprising U.S. Hockey Team, composed mostly of college students, the team defeated the world champion Russian team, in the last game of the finals, to capture the gold.

However, not all of the members representing the U.S. were so fortunate. Tragedy struck when an injury kept the figure skating team of Randy Gardner and Tai Babylonia from performing in the Olympics.

All in all, the U.S.A. Olympic team had one of its best showings in the 1980 Winter Olympics than ever before.

## SUMMER

An amateur athlete may have many goals that he or she strives for. Bettering personal records is a challenge to anyone who competes. For the best, there are world records to strive for; and for a select few, the challenge of Olympic competition and the

dream of a gold medal. There is no other symbol in any sport that has the importance and lasting significance of a gold medal. The challenge of seeking this honor is nearly as great as the actual event itself.

In 1980, America's finest young athletes were denied this challenge. The political pressures in a world far too imperfect have deemed this necessary. In December 1979, Russian troops invaded Afghanistan and seized control of the government. America, already involved in one crisis in Iran, was compelled to face another international problem and denounced the Russians for their actions.

In an attempt to force the Soviet Union to remove their troops, the United States announced a proposed boycott on the Summer Olympics

scheduled for Moscow. Numerous attempts to resolve this problem failed, thus, the U.S., joined by many other countries, pulled out of the Summer Games.

There has been much controversy dealing with the boycott. Many athletes have accepted the situation with the feeling that it is part of their national duty. Others, however, have voiced strong opposition. One of the leading critics has been marathon champion, Bill Rodgers. Rodgers feels that a government which does so little to support athletics has no right to use America's athletes as political pawns. The situation is a sad one, no matter what an individual's feelings might be. The boycott is a reality as is the fact that we, in Alliance, have lost any chance of seeing our own, Antone Blair, go after the challenge of Olympic Gold.

## ALL-AMERICAN FOOTBALL

In 1963 the All-American Football Conference was organized. Sixteen years later, at the end of the 1979 season, the conference teams were finding it difficult to reach the playoffs, and therefore Massillon voted to disband the league. The other members of the conference, including Canton McKinley, Warren Harding, Niles McKinley, Steubenville, and Alliance, agreed to end the conference after 1979.

# ACADEMIC CHALLENGE

Sponsored by Alliance Kiwanis and Mount Union College, the second annual Academic Challenge was once again hosted by Alliance High School. Competing at the March second competition were; Alliance, Louisville, Marlinton, Minerva, St. Thomas Aquinas, and West Branch high schools. Marlinton captured first place with Louisville taking second. The Alliance team, consisting of captain Chuck Lalli, Dana Mehnert (both seniors), and Jeff Harrison (a junior), received third place. Alternates to the Alliance team were Scott Stroup and Chris Tschappatt, also seniors. One half of the program's proceeds went to Rodman Library for art exhibits while the remaining half was divided equally among the six participating schools' libraries. Mount Union College supplied a two thousand dollar scholarship to the winning school.

Undefeated In Duals Again

## CROSS COUNTRY

The AHS Cross Country Team ended its season with a tremendous record as it went undefeated in dual meets (5-0) and placed high in the team standing at every invitational. The team claimed the titles of Stark County Champs and Sectional Champs by totally dominating the top ten or fifteen places. The harriers were also district qualifiers. Even though they had their worst finish in four years, Andy Howell qualified for the state meet where he finished twenty-first out of ninety-eight competitors.

Mr. Clegg noted that his team's season didn't end up as expected, but he still rated the young and talented harrier squad as one of the best teams in the state of Ohio.

The JV Cross Country team also went undefeated

First Year In A League

## GOLF

The Alliance Aviator golf team finished out its 1979 season with a 12 24-1 record. It was the first year that they had played in a league. This league, the Stark Metro Golf League, provided the Aviators a chance to play such rivals as Massillon and Canton McKinley. Their first league season record of 2-8 was good enough to place them in a tie for fifth place. Coach Greene had stated that being in the league has proved the Aviator golfers with more inspiration. He also said that he hopes to win the sectionals and place high in districts in future years. This will mean doing better than the team did during the 1979 season. Scott Hume was the only qualifier for districts, placing in the top third, but failed to qualify in state.

Good-Bye All-American  
**FOOTBALL**

The Alliance Aviators Varsity Football Team ended its 1979 season with a 2-7-1 record. They started well with an 8-0 victory over Youngstown Rayen. A few weeks later The Aviators easily overcame Cleveland John Adams 26-8. Six days later a spirited Alliance held their own against a heavily favored Canton McKinley. The game ended in a 13-13 tie.

However, these seemingly great achievements could not hide the anguish suffered from the 48-6 loss to Massillon. This was an especially important game for the Aviators because it was the last chance they had to give a good showing against their greatest rival

Despite their final 0-6-1 league record, The Aviators showed impressive unseen records. Many games were lost by ten points or less, and the team constantly gave their all in hopes of gaining another victory

A Surprising Season

# BOY'S SWIMMING

The 1980 boys' swimming season was one of rebuilding and surprise. After losing six valuable swimmers to 1979 graduation and with the departure of Australian exchange student, Tim Bendeich, the team knew it was going to be a long, hard fight. They began the season expecting four wins, but unforeseen victories led the Flyers to an overall winning record of 9-6. One of the many surprises was the victory over Warren Harding with an upsetting score of 4-3. Another surprise came in the near upset at Perry, as the Flyers lost by a just event by a mere fourteen one hundredths of a second. In the last home meet of the regular season, Chris Hopper broke the school record in the 100 yard breaststroke with a time of 1:06.4. Districts were held at the C. T. Branin Natatorium in Canton, where Steve May, Bul Fogle, Scott Shimp, and Jeff Kile placed in the 400 free style, and Andy Wert, Chris Hopper, Craig Wilson, and Scott Hirvela placed in the medley relay. Individuals who placed in Districts were Hopper in the 100 yard breaststroke and Mike Dhayer in diving. Pleased with the overall team effort, Coach Lear complimented the squad on a good year.

The girls Varsity Lady Flyers ended their season with an overall record of 9-9. The team was credited with setting a record of 65 points in their game against East Liverpool. Susie King set a new individual scoring record of thirty points in one game. King also had the highest percentage for foul shots, while Glenna Miller had the best shooting percentage. Kris Currey was credited for capturing 114 rebounds. Anita Jorney was honored for snatching 53 recoveries and 49 assists. However, despite the record-breaking team's effort, the Lady Flyers suffered a defeat from Copley in tournament play.

The young, inexperienced varsity wrestling team had a three win, ten loss record in dual meets during the 1979-80 season. The Aviator's three victories came against East Liverpool, Canton South, and Canton McKinley. In five tournaments, the grapplers obtained various positions from fifth to thirteenth places. The matmen captured fifth in the Minerva tourneys and two sixth places were taken at Salem and Perry. At Beaver Local, Rodi's squad came in eleventh. Finally, at North Canton the Aviators took thirteenth place. At sectionals, Heavyweight Stuart Tolle rose to the champion position while 138 pound Bob Pucci captured fourth place in his weight class. The pair went on to districts where Pucci failed to place, but Tolle captured third, thus qualifying for state. Although he didn't place in Columbus, Tolle had the honor of being one of the top sixteen players in the state. Coach Rodi was pleased with the team's progress and he expressed high hopes for next year as only three members will not be returning due to 1980 graduation.

The Alliance Aviator Varsity Basketball team ended its season with an 11-11 record. However, in March, this record was changed to 12-10 when Cleveland John Adams forfeited due to their use of an ineligible player.

Coach Fails was sorry to see the Big Eight Conference come to an end. He commented that the Aviators were going to lose a lot of tough opposition, although they will play against such strong teams as Austintown Fitch and Louisville, and Boardman.

Even though they were somewhat small in size, the Aviators were a dedicated team. Jeff Grewe broke a school record with seventy-three assists, while Clay Brown surpassed that and set a new record of ninety assists. Brown also led the team with an average of 14.9 points per game. Coach Fails was pleased with the Aviators' winning record and with the team's loyalty.

The 1980 Alliance Varsity and JV Cheerleaders began their season the last week of July with an outstanding performance at Kenyon College Cheerleading Camp. After being rated on pep, spirit, originality, and total evaluation of cheers, the Varsity girls earned four blue ribbons, the spirit stick on three out of four nights, and on the final night, they received a trophy for the best overall Varsity squad. The Reserve cheerleaders were also honored with a trophy for the best overall JV squad.

## 1979-80 BOYS TENNIS TEAM

Although the 5-13 season wasn't the .500 that coach Utterback expected, he was pleased with the performance that the Aviators turned in, especially that of Jeff Phillips, who showed his skill at the end of the season. Phillips was the first player in Boys Tennis history to make it to districts. Although he was defeated in the first round, Jeff will be around next year, hopefully to advance further. Another promising thought is that the team was composed of underclass students, meaning that everyone will return next year. Among those who went to sectionals were Clark Dohrmann, second singles; Yas Hisano, third singles; Tony Grimes and Jim Luginbuhl, first doubles; and John Wiese and Andy Wert, second doubles.

# GIRL'S TRACK

M. P. Rose Johnson

The 1980 Alliance High School girls track had their best season ever as they ended with a 10.3 season.

The team captured first place at sectionals, and Ruby Nicholson, Rose Johnson, and Cindy Harris all qualified for state at the district meet. Another hopeful for state, Rhonda Definbaugh, failed to place because of an injury sustained at the sectionals.

At the state meet, Ruby and Rose both took eighth in their events, Ruby in the hurdles and Rose in the 100 and 220.

Coach Shuster feels that the team should be a tough one next year because many of the runners will be returning.

Diamond Conference

The 1980 Aviators baseball season was both successful and disappointing. Coach Kekic's team ended the season with an even 10-10-1 record and with second place in the Diamond Conference behind Warren Western Reserve. Three players were selections on the All-Conference team. They were senior catcher, Jeff Grawe (.435 batting average, 21 runs batted in), senior outfielder, Scott Stroup (.409 batting average), and junior third baseman, Mike Holland (.419 batting average). Seniors Mike Dhayer and Chris Parlantieri, along with sophomore Todd Shafer, led the pitching staff.

Seasonal highlights included a 4-4 tie with state power Dover, a come-from-behind 13-12 win over Marlington, and the Aviator's first tournament win in four years. In that game they defeated Warren Western Reserve by a whopping 17-3 score. Holland was a perfect five for five from the plate, and Parlantieri was the winning pitcher.

Coach Seavy's JV team chalked up a fine 13-2 record. Their season was highlighted by two wins over Marlington, a victory over West Branch, and a close one-run loss to a very good Glen Oak team.

The 1980 Alliance High School boys track team had one of its best seasons ever. The team was 8-0 in dual meets and overall lost to only two teams. The strong points of the team were the distance runners. Many times the Aviators would take at least a 1-2 finish in the 880, the mile and the 2-mile.

The Aviators went to sectionals where they took first place, however, out of all the spikers that went to districts only one qualified for state; Kevin Louis. Louis went to the state long jumping competition where he won the crown and became the class AAA long jumping champion.

## GIRL'S SWIMMING

The 1979-80 Girls' Swim Team ended its season with a 6-7-1 record. The team consisted of many old faces and many new faces, including that of Mrs. Minuer, our new coach. Returning for the team were co-captains Laura Britton and Peg Devall. The majority of the team made it to districts, but failed to place anyone in the state competition. Mrs. Minuer feels confident about next year's team as only one team member, Gail Jellison, was lost to 1980 graduation.

## BAND DINNER DANCE

The A.H.S. Band Dinner Dance highlighted the season with the crowning of a king and Queen. Laura Johnson Queen, and David Peate, King. The dance was held on April 19th and the music was furnished by the band "Good Grief." The dance was sponsored by the boosters and catered by Sugar and Spice. The awards presentation was held at the A.H.S. auditorium, and the dinner dance was held in the cafeteria.

# MARCHING BAND

The Band began the year with new uniforms, furnished by Medalist-Standbury company in Brookfield, Missouri. Some of the old uniforms were sold to old band members, and the rest were disposed of. In addition, the band began the year with a new assistant band director Mr. Wiley. Mr. Wiley attended Columbus South High School then went on to graduate from Otterbein College. Mr. Wiley was a member of the marching band from both schools and played the tuba. Mr. Zurakowski, again, was the band director. The first show the band participated in was at the Ohio State Fair which was a judged competition August 25th and 26th. The band stayed on the Ohio State campus and ate dinner and breakfast at McDonalds. Even though they won no ribbons or awards, everyone had fun. Transportation was supplied by A&M Transit Lines. The band also took a trip to Adrian College in Michigan to play a pre-game and half-time show for a football game between Adrian and Wooster.

The band leaders come up with many money raising projects which included selling items for Christmas, raffle tickets, frisbees and drinking mugs. A total of \$2000 was raised on band tag day held on September 9th. During the season the band marches in two parades, namely the Memorial Day, and Carnation Day parade. They spend almost 6 months out of the year practicing in front of the castle for all their performances. Many hard, tiring, hours are put into marching and memorizing music. This years officers were; Laura Johnson, President; Chris Tschappett, Vice President; Secretary, Gwen Sarver; and Treasurer Barb Goncl.

## CONCERT BAND

## CONCERT BAND

The A.H.S. Concert Band, under the direction of Mr. Richard Zurehowski, kept busy during the 1979-80 season by scheduling many concerts. Among these were the winter concert on February 5, the spring concert on April 2, and the traditional elementary school concert on April 1.

The Highlights of the year for many students came on February 23, when selected members were picked to go to a solo and ensemble contest at Marlinton High School. Many superior ratings were received. Among them were class A soloists Dave Ponto, Laura Johnson, Dan Phillips, and Diane Kiel. Class B soloists were Mike Bernhouse, Kathy Spenceller, and Jody McCannan. Class C soloists were Judy Jones and Sue Holbert.

Also recognized in ensembles was the trombone trio of David Ponto, Chris Tschoppatt, and Mike Bernhouse, and the clarinet trio of Dan Phillips, Kathy Spenceller, and Shelly Wamsley.

## STAGE BAND

The Alliance High School Stage Band had a variety in performances this year. Under the direction of Richard Zurehowski, the stage band began its season at Mount Union College performing for Negro History Week. They also performed at the winter Concert, the Easter Assembly, the Spring Concert, and the May Day Derby. To close out the season, the AHS Stage Band gave a fine performance at Freedom Square in celebration of National Music Week, May 4-10.

## ORCHESTRA

The 1979-80 JHS orchestra was under the leadership of Mrs. Valerie Valentine. Serving as the concert master was Mike Dwyer who was also a soloist along with Laura Johnson, Jody McCummen, and Dan Engelman. The orchestra played for such activities as the National Honor Society inductions, October 24, 1979 and April 17, 1980. It also performed for the public in their Christmas Concert on April 23rd. As an added attraction, it is customary for the orchestra to perform for the middle school students at the high school auditorium. This occurred on April 29, 1980. As a fund raiser, this year the orchestra sold fruitcakes during the Christmas holidays. Top salesperson was John Shontschi. On February 28, some of the members attended the Solo and ensemble Contest held at Marlinton High School. They also played for Commencement exercises on June 5, 1980. The Orchestra Awards night was held on May 7, 1980.

National Honor Society members represent leadership, character, scholarship, and service. During the school year, two inductions were held at AHS. The first, for seniors only was held on October 25, 1979. The spring induction, for juniors and seniors was held April 17, 1980. At both, the four NHS qualities were portrayed by members through skits and speeches. The 1979-80 advisor was Miss Ruth Maldoven. Officers were; President, Vivian Pansino; Vice President, Dana Mahner; Secretary, Debbie Dreger; and Treasurer, Chris Tschappatt. The club's meetings were held the first Monday of every month.

Checking coats at basketball games provided the money to hold an end-of-the-year picnic in May at Butler Rodman Park where the next year's officers were announced.

Taking the place of the Pep Club and Pepsters, the Spirit of AHS was formed last May to give students a chance to support their teams and to promote spirit throughout the high school. Julie Porter named the club and served as its first President. When asked if the club was a success, she replied, "No, not this year but it will be next year if people participate. If at least one ambitious person with spirit will join the club next year, it will be a success." The club's advisor was Miss Shuster.

The Foreign Language Club is the perfect organization for students taking a foreign language and who are interested in learning more about the cultures of other people around the world. At each meeting of the 1979-80 school year, there was a presentation on a country. Some of the guest speakers this year were, Mr. Baker on "The Run of the Bulls" in Spain and Felicity Hartman South Africa. Other events included an International Dinner, prepared by Mrs. Draggott and Mrs. Mandy.

This year, the RAB continued to be an all-student published news magazine. Advisor, Mr. Baker, with the help of RAB editors, Jean Ayers, Tom Culp, Leigh Edgar, Jerry Murphy, Dan Roda and Amy Stone, continued to keep the students informed about life at A.H.S. On the average, for each RAB, the staff spent about three weeks writing, one week on layout, and one week for proofing, before printing could begin.

Please refer to page 123 for additional RAB coverage.

## STAGE CREW

International Thespian Troupe 231 is under the supervision of Mr. Steve Kantor and president, Marianna Weiss; vice-president, Greg Lauer; secretary, Skip Martin; and treasurer Cecil Seabolt.

To gain admittance into the Club, a total of ten points must be earned from having worked on committees and acted in the various high school productions. New members were inducted on April 16 at the Blue Dom/Thespian's Awards Banquet. Marianna Weiss and Cecil Seabolt were voted Best Thespians for the year 1979-80.

The Blue Dom Club of AHS is under the supervision of Mr. Steve Kantor. This drama organization is open to all interested students.

During the course of the year, under the president, Kathy Clymers; the vice-president, Mary Soltyz; the secretary, Skip Martin; and the treasurer, Cecil Seabolt; the Club proceeded to involve themselves in many activities. Early in the year they held an M&M sale for which they profited about \$250. This money went to help finance the awards for the Blue Dom/Thespian's Awards Banquet held on April 16. They also sponsored a one-act play, "The Kentucky Marriage Proposal", under the direction of Skip Martin. The play was presented to the public on May 1 and to the school on the second.

The pledge of allegiance followed lead by Vice pres. Jeffrey Russel. In addition, "Youth Speaks" was a section of the program featuring the graduating seniors with perfect 4.0 grade averages. This year's speakers were Jeffrey Fortner and Wendy Emanuelson. The class advisor Mr. Conrad Brunner read the names of the 37 students who made up the class honor roll. The class Presidents' address was delivered by Dana Mehnert. Dana's speech contained thoughts of the past four years as well as those for the future. He said in part "People such as teachers, coaches, and counselors who have not only taught us from the classroom or the locker room, but have also been our friends and have demonstrated a genuine sense of caring that has not only instilled in us a great respect and affection for them personally, but have caused us, through their fine example, to have a greater respect for the educational process as a whole."

Principal Duane Wamsley presented the class of 1980 for graduation. Diplomas were presented by School Board President Mr. Bruce Wiegel assisted by assistant principals John Webb and Paul D'Eramo. The Benediction was presented by Rev. Paul Perkins. The graduates were then lead by their class officers in the singing of the Alma Mater. Following this the class of 1980 recessed from the auditorium and into the pages of Alliance High School History.

# SCHOOLS OUT **FOREVER**

The annual all night party for seniors was one filled with events. First, a police escorted caravan of students was taken to Bonanza to eat. Upon returning to A.H.S. the Seniors got to see Mel Brooks' "Blazing Saddles"

Afterwards, the seniors went to the cafeteria to dance to the disco beat of WZZP's Disco-Trac, but it didn't show up. Ben Favazzo saved the night by going home and getting his own stereo. Throughout the evening, various prizes were given away. The party was over the next morning after serving breakfast

## COLOPHON

The 1980 CHRONICLE was printed by the offset lithography process and bound by Josten's American Yearbook Company. State College Pennsylvania. The binding is composed of 150 pt. binders board with an embossed effect of "people" stamped by the silkscreen process using orange ink #366 and white ink #325. The text of the book is published on gloss paper #191, 80 lb stock. All photographs are printed with black ink using a 150 line elliptical dot halftone screen. The color photographs were separated by laser.

All type matter was composed by computer using Souvenir type style #37 with division page headline style, shotgun, number 91. All bl/white photographs were taken and processed by the CHRONICLE Staff or Plajer and Cross Studios. All color photographs were printed by the AHS CHRONICLE Staff.
